

Hospice Renfrew serves the sensitive needs of dying loved ones and their families from all over the Ottawa Valley. Hospice Renfrew displays tender loving care for dying loved ones and their families. Some of us have personally experienced the professional compassionate care exhibited by Hospice Renfrew. This is one important event I participate in as a walker each year because you never know when any of us may require the professional services of Hospice Renfrew. (Hike For Hospice Registration is May 6,2018 at 12:30 PM at Me-Te-Way Activity Arena Complex in Renfrew followed by The 2018 Hike For Hospice at 2:00 PM.)
