SAWMILL LIVE DEMO

See the largest collection of portable sawmills in Canada. Demos ongoing throughout the day. Buy direct from the manufacturer.

Each Day

FOOD TRUCKS

Several local food trucks will have a wide assortment of delicious snacks and meals available.

Friday, 20 & Saturday, 21

BEER TASTING

9 beer trucks from local microbreweries will make their products available for tasting.

INFORMATION

Information in Forestry and Wood Products from a full Value Chain Perspective. Presented by John Pineau, Provincial Leader at FPInnovations. The presentation will touch-on forest operations modernization and automation, value added including bio-products (lignin and sugar from wood), bio-energy, engineered wood and smart manufacturing.

Each Day

WOODLOT TOUR

Guided walking tours of the Ma-Te-Way forest, hosted by the Ontario Woodlot Association and the Eastern Ontario Model Forest. Learn about the forest and how forest management can play a role in its future. The walks are suitable for all ages with a basic fitness level.

COURSES

3 Courses from Hagenwood Lazerworks. Chris Brandsma shows you how to make 3 different projects.

Friday, 20

Cedar Disc end table

Saturday, 21

River Table with river rock and LED lights

Sunday, 22

Two piece cedar wood end table

2 Courses Each Day

MAPLE COURSES

How a Healthy Sugar Maple Forest Benefits Human Health and Nutrition. Understanding the New Maple Grades - Taste Testing
How to Judge Maple Syrup for Competitions.
How to Manage Your Sugar Bush for Optimum Health and Sap Production.

TRY IT!

BEFORE YOU BUY IT!

Even if you are just looking for ideas, you will find lots to consider. The outdoor grounds will have everything you could possibly imagine and will be run through the paces. Processors both large and small, portable sawmills, private woodlot equipment, logging and transportation equipment, you name it it's here.

WOOD PRODUCTS FOR SALE TO THE PUBLIC - SHOW SPECIALS

Wood artisans & master craftsmen will be displaying their products and skills. Home furnishings of many styles, art, bowls, kitchen items, building products... Crafted from Ontario Wood and sustainably harvested.

For Private Landowners

In the 705, 613, 905, 416, 819 & 519 area code districts. Drop by and negotiate the value of your timber with interested log buyers.

- Woodlot management and tree marking
- Tree planting and habitat enhancement

ATTENTION

HOME OWNERS, COTTAGERS, CONTRACTORS & ENGINEERS

Visit VALUE ADDED WOOD PRODUCERS

Producers of Ontario's fine wood products on display and for sale at the show (hardwood and softwood lumber products, flooring, decking, siding, timber frame & log homes, cedar shakes and shingles and so much more)
